Category: Now Streaming. NEW FILM REVIEW: Picking Up the Pieces, "Sacha Girguis", "The Romanian". Along with a couple of others, this one looks like it has the kind of storytelling that has stood the test of time. But I'm not a native English speaker, and the first few paragraphs of the review I wrote of Sacha Girguis, "A Russian Foreign Policeman," were

incomprehensible to many people who would be the intended readers of this review. I suppose I should have said something like "A Russian foreign policeman." A few thoughts on Sacha Girguis' "Picking Up the Pieces."- The movie is set in a world in which Russia and the United States are trying to get back in one another's good graces. A Texas private eye has been forced to use some rough tactics in order to extort money from a businessman who has already been accused of the murder of two Russian foreign police officers. In the middle of all of this is Amal Sabri. He is a Russian foreign policeman who has been assigned to work in Texas. After his brother, another Russian foreign policeman, has been murdered at the hands of a Texas oil baron, Amal is assigned to work with Texas' best private eye, the aforementioned Texas-based private eye. Amal, and his young partner, are assigned to investigate the murder of the two Russian foreign policemen. While they are investigating the murder, they are having their own trouble with a mercenary Russian organization of criminals also hunting down foreign policemen and murdering them. The movie "Picking Up the Pieces" is reminiscent of the now-defunct film series "Murder, She Wrote," the majority of which were written 3e33713323
