The Elden Ring is a fantasy action RPG. It is a new IP developed from the world of Elden, which was created by Koji "projekt" Harada. The game is set on a vast world, where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats awaits you. The legendary triumvirate of Koji "projekt" Harada, Kapppei Yamaguchi, and Nobuhiro Watsuki collaborated on the setting of the games, as well as the characters.

Both 13-2 (7 KOs) fighters dominated their opponents throughout the fight and won via unanimous decision. A fight between Luis "Tough" Santa Cruz and Julio "El Matador" Angulo was added to the card. Luis suffered a routine cut on his right eyelid and he was taken to his dressing room for immediate medical attention, further delaying the fight.
